

aEstivum 

TERROIR CUISINE

aEstivum restaurant is an inspiring harmony of refined tastes from around the world, the experience of our chef and organic products from the Estate's farm. Chef Vesselin Kalev is well acquainted with the high Michelin standards and with the values of the Relais & Châteaux association. At aEstivum restaurant, he is presenting his approach to modern cuisine, built on the best of traditions and pure local products.

aEstivum is a living system, unfolding with the splendor of the four seasons. Part of it are the animals, vegetables and fruits from our farm, as well as the local producers, the terroir, the wine, the restaurant team. And, of course, all of you – our dear guests.
